“Rich, spicy wine with prune, plum, cherry and a thread of wild herbs. Complex, full-flavoured Pinot Noir with a creamy texture and lengthy finish. The flavours stray right across the ripeness spectrum. Fascinating wine.” 92

“Good deep red. Dark berries, meat and sandalwood on the spicy nose. Sweet, sexy and aromatic, with a lush texture and a fairly pronounced oak component. Less complex than the Bannockburn example but finishes long and broad, with an enticing sweetness to its substantial tannins.”
